ANTIOCH, ILLINOIS, THURSDAY, AUGUST 16, 1962

First in Results to Advertisers VOL. LXXVII NUMBER 7

IT'S IN ANTIOCH. It's not a rocket and it's not a missile. It has a steel base and its only partially completed, what is it? It's our new water tower of course! We may cause a rush of young would-be space enthusiasts to the scene, but we couldn't help shooting a photo of the new structure. (Antioch News photo)

Water Tower In The Works

It won't "take off", folks. That isn't a rocket ship or missile out on North Avenue. It's the village's new water tower, looking as unlike the old fashioned tank-on-legs as it's possible for two structures with the same purpose to look.

Work on the tower was started two weeks ago, and Mayor Cunningham estimates that it will be in use within six weeks.

Capacity of the new tank is 300,000 gallons. The old water tower holds 110,000 gallons. It is estimated that a town the size of Antioch needs a 400,000-gallon water tower capacity. With the combined gallonage of the two towers, Antioch will now have 410,000 gallons, which will insure ample water and water pressure at all times. This, says Mayor Cunningham, should insure adequate performance and make for lower insurance rates.

A ten-inch main from the new pump in Sequoit acreage will be feeding the new water tower. It will be hooked to the water main on North Main St., also to Depot St. and Ida Avenue.

Cost of the new tower is about \$68,000. Plans for this improvement have been in the works for several years.

Antioch High Opens Sept. 6 With Ten New Teachers

Of the ten new teachers joining the staff of the Antioch High School this fall, five were pictured last week and short backgrounds on each given. The remaining five are pictured here, with subjects they will teach and a little of their background.

WILLIAM KEMMERER
Guidance Director
William Kemmerer has assumed the guidance directorship. He formerly was guidance director at DeWitte and Comanche, Iowa. Mr. Kemmerer holds the master of arts in sociology and psychology from the University of Wyoming. He recently earned the master of science degree in guidance and counseling from Drake University.

CHARLES STOCKHECKE
Industrial Arts Department

Charles Stockhecke will serve in the Industrial Arts department and assist in football. He is a June graduate of Western Illinois University.

Classes at Antioch High School will be in session on September 6.

Clifford Foster will be in the Health and Driver Education Departments. He will also assist in track coaching.

Mr. Foster graduated from the University of Illinois in 1958 with a B.S. degree. From 1958 to 1961 he served in the Army Infantry. After discharge from the service in September of 1961, he completed 12 semesters of graduate work at the University of Illinois.

CLIFFORD FOSTER
Health & Driver Education

Mr. Foster earned the varsity letter in track at the University of Illinois during his junior and senior year. He is married and has two children.

Marilyn Miller will head the girls' physical education department and Girls' Athletic Association activities. She is a graduate of Eastern Illinois University and has taught three years in the Paris High School. Miss Miller received the Women's Athletic Award while in college.

MARILYN MILLER
Girls Physical Education

JAMES ERDMANN
Health & Driver Education

James Erdmann will teach Health, Driver Education, Safety, and will also coach wrestling and assist in football. He received his bachelor's and master's degrees from Eastern Illinois University. Mr. Erdmann was active in high school and college sports. He lettered in college football his last two years. He taught for two years in the Greenville High School, Greenville, Ill.

Fire in Car Extinguished By Fire Dept.

The Antioch Fire Department answered a call at 5:30 a.m. Wednesday, August 15, to the Brass Corner's Tavern on Grass Lake Road to find a car on fire.

The car had been left parked there for sale. Damage was confined to the rear cushion of the car. The fire appeared to have started from a cigarette.

New Grade School Pupils to Register

It was announced today that all new students who will be attending the Antioch Grade School should be registered during the next night.

Parents of children who will be entering kindergarten or first grade must present a birth certificate at the time of registration.

The school office is open Monday through Friday, 8:30 a.m. to 3:30 p.m.

Carnival Set For August 23 to 26

The St. Peter's Council of the Knights of Columbus are sponsoring a carnival August 23 through 26. It will be set up on the Village parking lot near the old water tower. The K. C.'s are donating

Gas Sold for \$23.17, Beef Auctioned Next

Maurice Lovene, Beach Grove, Lake Marie became the winner of the News sponsored second mail auction last Thursday, with his high bid of \$23.17. Maurice won 100 gallons of premium gasoline, with a retail value of \$30.00.

Lovene received 20 coupons good for five gallons each at Al's Cities Service, Main St., Antioch. When asked how he arrived at his winning bid, Lovene said, "It was easy. I just took 23 skidoo plus the year I graduated from high school, 1917, and got 23.17."

New Board Member

Robert Sonnen was appointed to take the place of Wes Camp on the Grade School Board at an informal committee meeting last Wednesday night.

Mr. Camp resigned last week because he is moving the West Coast.

Mr. Sonnen, of Laguna Subdivision, will serve until the April elections.

Elroy Anderson will continue to serve as secretary of the board.

Mr. Sonnen's appointment must still be approved and he will be sworn in at the board meeting on August 21.

Passing On Hill Causes Accident

Passing on a hill and trying to avoid a crash when confronted with an oncoming car while still in the wrong lane, Michael Dougherty of Chicago swung to the left-hand ditch and the oncoming car did the same thing. The two cars collided in the ditch.

The accident happened on August 10 at about 10 p.m. on Route 173 just east of Deep Lake Road. Dougherty, 33 years old, was injured and taken to the Antioch Clinic by the sheriff's squad and the Antioch Rescue squad, as was Mrs. Richard Soens, a passenger in the other car. Richard Soens of Racine, Wis., driver of the other car was not injured. A citation was issued to Dougherty for passing on a hill.

Car Hits Deer On Rt. 173 Near Park

A deer crossing the road was the cause of a minor accident on Route 173 near Oak Point State Park about 2:20 a.m. on Tuesday, Aug. 14.

Mildred Bentley of Rt. 1, Hebron, was driving east on Route 173 when a deer ran into the path of her car. She was unable to stop in time to avoid hitting the animal, she told sheriff's police.

She was not injured and no citation was issued.

The first \$500 profit to Fr. Henderson of St. Peter's Church. The money will be used to boost the St. Peter's Youth Center Fund.

Kenosha County Fair Hailed as Huge Success

Miss Carolyn Mary Reeder, 18, daughter of Mrs. Alice Reeder of 4512 Wilson Road, Kenosha, was crowned queen of the Kenosha County Fair Friday night.

Miss Reeder, a June graduate of St. Joseph High School, was selected from a field of 23.

The youthful queen's hobbies are golf, tennis and reading. She studies dancing and voice training. She works at the Dutch Maid Drive-in, and is taking special education from the Kenosha Extension.

Miss Reeder is active in community affairs. She was on the Student Council in high school, the service committee, president of the Sigma Jax's, participated in the "Student Prince" and was on the staff of the Challenge, the school paper. She is also president of the CYO Sodality.

The Queen's court was Arlene Schmidt, 18, of Salem, Judy Sorenson, 18, of Bristol, Sharon Waecher, 17, of Kenosha, and Susan Harrison, 18, of Kenosha.

Judges for the Kenosha County Queen Contest were Jerry Cray of WKRZ, Mrs. Beverly Epstein of Racine, and Ken Dirsch of Madison.

The Queen received many prizes, among them a night at the Boulevard Room of the Hilton Hotel in Chicago, with overnight accommodations for the queen and her mother, luggage, and a week-end at Maxwellton Braes at Bailey's Harbor, Wis.

Another Kenosha girl won honors when she was named grand champion of the Women's Table settings. This is the second time Miss Cathleen Cayo, 14, has won this award as she took similar honors 2 years ago.

One of the highlights of the fair was the purchase of Black Baron II, a 10455 Black Angus, by Melvin Garb of Kenosha. Black Baron was named Grand Champion of the Fair after being shown by Jack Schaefer. Garb purchased the animal for the McDonald Hamburger Company and paid \$522 for the champion.

Reserve Champion, Mumbo, a white-faced steer, was sold to the Kenosha Packing

Company for Oage Thomsen's Restaurant of Kenosha.

Russell Bausch of Randall won the senior division of the 4-H tractor operators' contest for the second time and will represent the county in the state competition in July of 1963. Robert Schaefer of Bristol, Hector Velasquez of Salem and Bill Davis of Wilmet were also blue ribbon winners in this event.

Busy Week-end For Local Rescue Squad

Rash of Falls, Accidents, Broken Limbs Mar Sunny Week-End

After a brief lull of inactivity, the Antioch Rescue Squad really had a workout during the latter part of the past week.

Like babies, a large percentage of Rescue Squad calls come during the early morning hours when the boys are enjoying their deepest slumber. They scramble from their beds and rush to answer the call of distress, sometimes speeding to the scene of tragedy, sometimes finding the call that ended their rest was prompted by mere hysteria after a minor injury. In either case, they cheerfully render what aid they can.

On August 7, the squad was called to the home of Peter J. Kohl on Beach Grove Road, where they found Mr. Kohl dead on arrival.

On August 10 the squad answered a call from Webb's Boat House at Channel Lake where they found a boy who had been cut by a boat propeller. The boy had been picked up in the lake by a passing boat after, it was reported, he had fallen from his own boat which circled, driverless, and struck him. He was taken to Dr. Kopriva at Antioch and subsequently to Victory Memorial Hospital.

Also on August 10 (Friday), the squad went to the IGA store in Antioch and aided Bernice Carlson of Chicago, who had fallen and broken her right hip. The

Winners in the junior division of the contest were Ronny Schaeffer of Salem and Robert Jackley of Paris.

This year's fair was rated a success, with beautiful weather contributing to the attendance and enjoyment. Attendance was 40,600, with 25,000 of these paid admissions. Attendance was 8% over last year. There were more exhibits and exhibitors than last year.

Play Day At Pool Cancelled

The Play Day scheduled for Saturday, Aug. 18, has been cancelled, according to Jim Corrigan, Director.

The water ballet, canoe demonstration and trick diving has been postponed until Saturday, Sept. 1, from 1-4 p.m.

The decision to cancel Play Day was made at a committee meeting Wednesday morning. Bad weather and lack of response were given as reasons for the cancellation.

New Congregation Formed in Antioch

A new congregation has been formed and will shortly be joining the already impressive list of Antioch congregations. Called the Antioch, Illinois Congregation of Jehovah's Witnesses, they will meet in the Grayslake Kingdom Hall, 21 Allen St., until a suitable Antioch location can be found.

Due to the large increase in the Zion congregation, about forty members will make up the Antioch group along with 35 members from Grayslake.

Mr. Robert Willett of Channel Lake will be Congregation Servant, Mr. Ralph Dowell, Channel Lake, will be Assistant Congregational Servant.

Meetings coming up include tonight's Ministry School, 7:30 to 9:30 and the Watchtower Study Sunday at 6 p.m.

NEW BABY
Mr. and Mrs. James Bliesch of Rt. 1, Antioch, are the parents of a boy, James Allen, born Aug. 3. James weighed six pounds, seven ounces and was born at St. Therese Hospital. His mother is the former Irene Ehrhardt.

Trick Diving at Antioch Pool

Everyone is invited to the Antioch Aqua Center on Sunday afternoon to watch an exhibition of skilled diving by a professional, Jim Sullivan, of Grayslake. Sullivan demonstrates all kinds of diving—trick, comic and fancy.

The exhibition will be put on every Sunday, usually starting at about 2:30 p.m. and lasting about two hours. There is plenty of spectator room in the area surrounding the pool.

Sullivan was a champion diver for two years in the U. S. Navy. He may be better known to some residents as a driver at the Wilmet race track.

Boy Rides Bike Into Car; Hurt

Eleven year old Deane L. Troyer of Rt. 1, Antioch, was injured at about 5 p.m. Sunday, Aug. 12, when he rode his bike from his yard, and, starting to cross Ackerman Road, rode into the side of a passing car.

The accident occurred on Ackerman Road about one mile south of Grass Lake Road. The boy said he didn't see the car until it was too late. He was taken to Zion Memorial Hospital by his father, Eugene Troyer.

The driver of the car, Donald C. Schaffer of Mt. Prospect, was not given a citation.

Drivers Ticked After Accident

Two citations were issued by sheriff's police to driver of two cars when the car of Axel B. Lindquist of Spring Grove struck the car driven by Judith Morse, 17, of Racine, Wis., in the rear who she slowed to turn left of Grass Lake Road about a mile west of Route 59. The accident occurred on Saturday, Aug. 11, at about 6:30 p.m.

Neither party was injured.

EDITORIAL

Summer Madness

A special kind of madness seems to grip people on a beautiful week-end such as the one just past. The balmy weather, the warm sun, must give them a feeling of immortality, for they drive with reckless abandon and disregard for the rules of the road that is bound to result in accidents. Driving on roads lined with pleasure-bound vacationers becomes a hair-raising experience. There are many minor and major accidents, but the miracle is that there are not more.

Swimmers and boaters, some with a few alcoholic drinks in them, become careless and reckless. Playful pranks inspired by spur-of-the-moment hilarity suddenly develop into unexpected and tragic, often fatal, accidents.

Don't be lulled into a sense of false security by vacation moods and summer sun. Relax, but not into carelessness. An accident to a member of your family can put a tragic period to summer fun.

Courthouse Notebook

BY LOU DURKIN

The party faithful turned out for the Bill Murphy testimonial dinner at Chevy Chase last week and State Rep. William Pollack, GOP wheel in the state legislature, was on hand to heap praise on the Antioch representative.

Rep. Pollack tossed bouquets at Rep. Murphy as a hard-working legislator who has a deep and abiding love for the district which he represents.

Boosting the turnout for the golf outing and dinner, in addition to the party regulars, were Rep. Murphy's handsome family, a coterie of his personal followers, and a substantial representation of his fellow-legislators.

Coroner Robert H. Babcock was one of the prize winners even though he withdrew after nine holes.

It's the first time we ever heard of a golfer withdrawing from a match because of a "sore pitching arm."

Max Wildman, an unsuccessful bidder for the GOP nomination for U. S. Representative in the April primary, was the master of ceremonies for the gathering.

Wildman was a virtual unknown in political circles when the primary opened last spring, but his continued activity on the political front gives rise to speculation that he enjoyed his life as a candidate and is still harboring political ambitions.

Despite an imposing record of past performance which includes keeping the County of Lake free of bonded indebtedness and operating recourse to tax anticipation warrants, the County Board of Supervisors can sometimes put on a most discouraging performance.

It is one thing for opponents of the County Public Works Department to ignore recommendations of special commissions and engineering

New Student Housing at NIU

On-campus housing at Northern Illinois University will get a 40 per cent boost with the opening of a new residence hall in September.

Abraham Lincoln Hall, located on NIU's new West Campus, will accommodate 1,000 men. Last year, 2,500 students lived in university-operated housing.

The new hall consists of four five-story dormitory wings radiating spoke-like from a two-story structure

dining rooms, kitchen, lounges and living quarters for supervisory personnel.

The new unit plus increased building of privately operated student homes in DeKalb have brightened fall housing prospects for NIU's expected enrollment of 9,500 students. This is 1,400 more than the 1961 fall semester total.

In cooperation with the home, the church or synagogue, and the school, Scouting helps build character and trains boys for useful citizenship.

Along The Way

With Annie Mae

To each his own! Individuality seems to fast be disappearing from our vocabulary and personalities. As you pause and look around don't you see the pattern of conformity we have fallen into? But Mom, nobody wears those! Golly, Dad, everyone else is going. Seem to be our by-words. Stop and think how many things you have done or said "because everyone is." What happened to our ability to think for ourselves? Oh, I'm certain that we haven't lost our convictions, I just think we have shelved, temporarily, I hope, the power and courage to back them up. Stop the next time you start to "follow the crowd" to make sure just why you are doing whatever it is. If you find your convictions tell you to "stand alone" try it and renew your self-esteem and character.

THE LATEST REPORT. It's a big (10 lbs. plus) bouncy baby boy for the Ken Rentners. . . . Marge Lefco is enrolling in summer stock at Mr. L's tenthouse theater in Waukegan. . . . Mrs. J. W. Kopriva and children returned from a motoring trip to Niagara Falls, Pennsylvania and other points East. . . . Mrs. C. P. Tossey and her four boys are vacationing with relatives in Ohio, while Dad stays home and vot's as usual. . . . Al Dittman, superintendent of A.T.H.S., is still smiling and answering confidently, "Oh, we'll be in by opening day!"

IN THE SPOTLIGHT: Is Irv Carey for his red carpet treatment to everyone on his annual Friendly Day at the Kenosha C.C. That's the day he treats to golf, dinner and you-know-what. . . . also Bette Meyer for her literal downbeat while twistin' Sunday nite. It seems she played bumps-a-daisy with the floor.

THE LAST DROP: The party hostesses by those perennially favorite hosts, Brooks, Larsons and Hawkins, at the Red Wing Hunt Club was a real swinging Wing-Ding. . . . Howard Shepard's trips to the J. C. Info Center on the corner must make him the best informed guy in Antioch. . . . Two local housewives who pooled their unused clothing this past week and had a rummage sale were so successful it may start a new trend in housewifely ventures.

DID YOU HEAR: about the dumb blonde who thought only nudists rode bareback.

Olay! Annie Mae

Congratulations to the fellow who first thought of painting those white lines along the edge of blacktop roads, and to the man who put the idea into practice. They are not only a tremendous aid to safe driving in normal weather, in fog or rain they are well-nigh indispensable. And while we're on the subject, why are they not maintained on some of our busiest highways? Green Bay Road, from Waukegan to Antioch, is without this tremendous visual aid.

No congratulations to the state for allowing deep ruts to remain at the edge of paving along our highways. A car dropping off the pavement into one of those ruts is difficult to control and can cause a bad accident. Some of the holes along the edge of paving on Route 173 could cause a blowout.

While we're on the subject of traffic safety, you might do well to cut out this little epitaph and paste it on your mirror (not the rear-view one—the one you look in to shave or put on lipstick, as the case may be): Here lies the body of Lucius Gay Who died maintaining his right of way. He was perfectly right as he sped along, But he's just as dead as if he'd been wrong. It's not Shakespeare, but there's a good thought there.

Your Governor Reports

by OTTO KERNER

The Illinois State Fair, from a meager beginning 110 years ago, has become the finest exposition of its kind in the country. The majority of Illinois citizens are familiar with the fairgrounds and its location, but doubtless relatively few are aware of the use, other than the State Fair, that is made of the site.

The grounds consist of 360 acres. Perhaps a little known fact is that a 40-acre conservation area is located in the west side of the grounds. During fair week some 35,000 exhibits are set up and some 25,000 animals are accommodated, mostly in permanent buildings. There are 125 acres for parking 15,000 automobiles. Expenses of the fair itself are paid from the Agriculture Premium Fund which is derived from revenue received from pari-mutuel tracks operating in Illinois.

Scores of permanent buildings are in use the year around by the Department of Agriculture and the Illinois State Police. In accordance with my wishes, the fair management has successfully encouraged an expanded use of the grounds, and consequently other buildings are used with regularity during the year. Since the fair in 1961,

140 separate and distinct special events of from one day to one week duration have been held there. These events include livestock sales, national conventions and horse shows, 4-H meetings, Boys' State and special workshops for a wide variety of industrial and educational groups. The grounds and its facilities also provide accommodations for many types of events sponsored by, or closely related to, the state government, such as police training and schools, agriculture seminars and civil defense meetings.

Several of these events are of national interest and thousands are attracted to Springfield and Illinois each year from all over the country. The benefits, not only to Springfield, but to other sections of the state as well, through which these far-away visitors travel, are inestimable. Illinois education, industry and business benefit in a material way because of the Illinois State Fair and its grounds, and if these accommodations were not available for such uses, Illinois would experience an economic loss. The state fairgrounds in Central Illinois is the counterpart of the convention and meeting facilities of Chicago, the nation's leading convention center.

Antioch Heart Fund Collects 570 Dollars

Heart Fund volunteers in Antioch collected \$570 for the 1962 campaign according to chairman Mrs. J. W. Kopriva, 475 Windsor Lane, Antioch. This is the final, complete figure, and includes all contributions, memorials, special gifts and bequests made during the year.

Major portion of the funds collected will be used to further research into the causes and possible cures for the various forms of heart and blood vessel diseases, she pointed out. Other programs supported by Heart Fund dollars include community service and education.

In releasing the final figures the chairman said that "credit for the success of the campaign rightfully belongs to the many dedicated volunteers and citizens of the community who opened their hearts and gave of their time and money to strike another blow at the nation's number one killer."

Attorney General William G. Clark has announced he will move to rid the State of Illinois of a fake diagnostic machine known as the "Micro-Dynamometer" which has been sold to at least 80 health practitioners in the state. Embargo proceedings will be launched against these practitioners. The machine, Clark said, is dangerous.

Mr. and Mrs. Ronald Eugene Somers

Wedding Of Karleen Rockow And Eugene Somers Aug. 4

Karleen Marie Rockow and Ronald Eugene Somers were united in marriage in a double ring ceremony at 2 p.m. Saturday, August 4, at the Faith Evangelical Lutheran Church in Antioch. The Rev. M. E. Otterstatter performed the marriage ceremony.

The bride is the daughter of Mr. and Mrs. Eugene Rockow of Antioch, and the bridegroom is the son of Mr. and Mrs. Vern Somers of 515 Clayton St., in Waukegan.

The bride was given away by her father. Her gown had a bodice of Chantilly lace over taffeta with three-quarter length sleeves and a scalloped neckline. The skirt of the traditional white gown was taffeta with applied panels of Chantilly lace and a chapel train. The shoulder length veil was held by a crown of pearls. She wore a silver cross on a chain with diamonds on the cross bar. The bridal bouquet was a cascade of white roses circling a white orchid.

Maid of Honor was Jane Lassen and bridesmaids were Mrs. Gerald Longley, Phyllis Kopriya, and Barbara Stokes. Nancy Jo Olson was a junior bridesmaid. All wore powder blue taffeta sheaths with overskirts of silk organza with matching headpieces. They carried baskets of blue and white carnations and snapdragons with blue and

white ribbon streamers.

Kelly Carpenter, cousin of the bride, was flower girl.

Royal Rockow, brother of the bride, served as best man, with John Kowalski, brother-in-law of the groom; Gary Somers, brother of the groom; Gary Somers, brother of the groom, and Dennis Rockow, cousin of the bride, as ushers.

"The Lord's Prayer" was sung by Mrs. William Fischer and Mary Lee Rockow, cousin of the bride, was in charge of the guest book.

A reception for 250 people was held at the Johns-Manville Club. The couple left for a short honeymoon in Wisconsin, after which they will be at home in Waukegan.

The bride graduated from Antioch High School in 1962 and had been a resident of Antioch all her life. The groom attended Waukegan High School and is employed at the North Chicago Stone Container Corp.

Present at the wedding were the groom's great-grandfather from California and his grandfather and grandmother from Arizona.

Local Residents Join Air Force

M/Sgt. Maurice L. Edwards, U. S. Air Force Recruiting Officer at Waukegan, announced the enlistment of three Antioch residents this week.

Receiving their final processing and testing August 10 in Milwaukee, Wis., were George P. Badame, 18, son of Mr. and Mrs. Philip Badame, William J. Gahlbeck, 18, son of Mr. and Mrs. Joe Gahlbeck, and Donald M. Verkest, son of Mr. and Mrs. Morris P. Verkest, all of Antioch.

They will receive basic training at Lackland Air Force Base, San Antonio, Texas. After graduation they will attend one of the many technical schools or be assigned to an Air Force Base.

All of the above airmen are graduates of Antioch High School.

St. Ignatius Church News

Reverend Edmond Hood and his family left on vacation on August 5. They will be absent from the parish for about four weeks.

Mr. Landau, Lay Reader, will have charge of services during Rev. Hood's absence. Hours of services will remain the same, 8 a.m., 9:30 a.m. and 11 a.m.

Should an emergency arise, call the telephone answering service (395-0652), which is equipped to handle the situation.

There will be no week-day service during the vacation period of Rev. Hood. The church and hall will be kept locked at all times except during services. Those wishing to enter the hall can contact Harold Filweber or Mrs. John W. Horan.

The St. Ignatius Auxiliary will hold a meeting on August 22 at 8 p.m.

St. Ignatius Church, the hall, rectory and garage will soon receive a new coat of paint.

Rev. Hood and his family, with the senior floods, will spend their vacation fishing in northwest Wisconsin, near Lake Superior.

B. S. E. Degree To Miss Cain

Katherine C. Cain of Antioch received a B.S.E. degree at traditional summer commencement exercises at Northern Illinois University at DeKalb on Aug. 9.

Two hundred and ninety-two Bachelor and graduate degrees were awarded at the exercises, a new total for summer graduation.

Open House On Fiftieth

The 50th wedding anniversary of Mr. and Mrs. Henry Schmidt of Channel Lake will be observed at an Open House at their home on Sunday, August 19. Friends are invited to call.

The Schmidts were married Aug. 17, 1912. Mr. Schmidt is a retired plastering contractor from River Grove. The couple has three children: two daughters, Mrs. Henry Strebel and Mrs. E. Groef, and a son, Harry. They also have six grandchildren and five great grandchildren.

SELMAN FIELD, Staff Sergeant Charles V. Calderone, son of Mr. and Mrs. Joseph Calderone, of Route 3, Venetian Village, Lake Villa, Ill., has completed his annual summer active duty training with his Air Force Reserve Recovery Unit at this airport near Monroe.

Sergeant Calderone, an information technician, participated in operational readiness aircraft recovery drills and received classroom and practical training.

The sergeant and his wife, Frances, have two children.

Board Meeting At Church

The new pastor of the Antioch Methodist Church, the Rev. Donald Cobb, will be living at the home of Mr. and Mrs. Henry Palm until the parsonage becomes available. He will probably move into the parsonage about the first week of September.

For the present, he can be reached in the morning at the church office.

All members are urged to attend the official board meeting at the church on Thursday, August 16, at 7:30 p.m. Rev. Cobb will be present.

The second week of Vacation Bible School begins Monday. A program will be held on Friday, August 17. From 11:30 p.m. will be visitation and exhibits. From 1:30 to 1:45 p.m. will be the recreation period. At 1:45 p.m. the program will begin in Wesley Hall. It will include the work done by the children during the previous two weeks. All parents and friends are invited to attend. Mrs. Charles Watson is the director.

Drury Attends Engineer School

FORT BELVOIR, Va. — Army Private William A. Drury, 23, son of Mrs. Bertha M. Drury, Route 5, Antioch, recently completed the five-week engineer supply course at the Engineer School, Fort Belvoir, Va.

Drury entered the Army last January and completed basic training at Fort Leonard Wood, Mo.

He was graduated from Antioch High School in 1959 and was employed as a mason's helper prior to entering the Army.

Bridal Shower Given

Miss Nancy Nemeo of Antioch was honored at a recent bridal shower held at Little Acres, Loon Lake. Miss Nemeo will become the bride of James Smith, Onelda, Ill., on Aug. 25.

Hostesses for the affair were Mrs. Helen Sterbenz and Mrs. Edward Nemeo. Forty-three friends and relatives attended the surprise miscellaneous shower.

The gift table was decorated with a pink umbrella and festooned with pink ribbon bows.

A chicken salad plate was served to the guests by Margo Gaa, Darlene Roblin, and Marilyn Sterbenz, who acted as co-hostesses.

Garden Club Flower Show

Members of the Antioch Garden Club are making final preparations for the Antioch Flower Show, to be held at Wesley Hall, Methodist Church, Antioch, on August 23 and 24.

All entries will be accepted from 8 a.m. to 10 a.m. August 23, and not removed until 4 p.m. August 24. Judging by 10 accredited judges will start at 10 a.m. Aug. 23. Plant material in flower arrangements need not have been grown by the exhibitor. However, in the horticultural classes, specimens must have been grown by exhibitor over

three months. In the Junior (under 18) division, entries will be judged as a separate class.

The chairman of Special Projects will be on hand to be of service to all exhibitors and visitors. Mrs. Harold Jorgensen, chairman of the Coffee Corner, promises a choice of delicious, home-made desserts. Mrs. Edward Dompke will be in charge of the Sale Table.

All members of the Garden Club are donating plants from their gardens, as well as other interesting articles related to the gardening field. Both projects will be available to the public from Thursday, 12:30 p.m. until the show closes at 4:00 p.m. on Friday.

With a fine display of

flowers, garden materials and equipment, Ace Hardware, Steve's Garden Shop, Floral Acres, Lasco Flower Shop and Lakes Linoleum will give their support to the show, which is entitled "Nature's Own Art Show."

Titles of flower arrangements in the Artistic division suggest the numerous facets of Art, such as: "Pretty as a Picture"—arrangement in a picture frame; "Grandpa Moses"—arrangement in a moustache cup; "Audubon Sketchings"—arrangement using birds.

The Flower Show is not limited to Garden Club members—all are welcome. For additional information and schedules, call Mrs. Edwin Olsen, 395-1255 or Mrs. Clarence Spirling, 395-0597.

Who Dry Cleaned General Burnside's Uniform In 1861?

Union General Burnside was as vain as a peacock but he couldn't have his uniforms dry cleaned. An orderly had to scrub them with harsh soap and cold water in a nearby brook. Today, in 1962, a yardbird or civilian can get top notch cleaning here at 1-Hour Martinizing because we have developed special scientific processes that care for every fabric natural or synthetic. Wilkins Nov. Candidate

George T. Wilkins, state superintendent of public instruction, appeared in Antioch last Friday, with his visit including the Libertyville Democratic Township Carnival.

Campaigning for re-election this November, Superintendent Wilkins has been commended by the National Education Association for providing outstanding leadership in the field of school legislation by the U. S. Agriculture Department for administering one of the "best school lunch programs in the nation," by the Bear Manufacturing Company of Moline for employing "the best trained school bus supervisors in the U. S.," by the office of the publisher of Look Magazine "for providing the kind of educational climate in which dedicated teachers can achieve their maximum potential," by a University of Illinois professor for excellence in office accounting and by numerous professional and lay organizations for providing leadership and encouragement which has contributed to the formation of five new junior colleges with 15 others in the planning stages.

In planning a head-on attack to combat the school drop-out problem, Wilkins conducted the first statewide study of drop-out students. His office distributed some \$2-million for counseling services. Counseling programs have been extended to 80% of Illinois' high school enrollment, a 50% increase in the program.

Prior to his election in 1958 as Illinois' chief state school officer, Superintendent and teacher in a rural school district.

His teaching administrative career has extended over a 39 year period.

Everything in the home these days is controlled by a switch except the children.

Karl Wilms

THESE LIFE LIKE figures are samples of the craftsmanship of Karl Wilms. Wilms almost took up art as a career but decided against it in favor of engineering.

Karl Wilms, 74, of Sun-Side subdivision at Channel Lake, had no trouble choosing a hobby to occupy his spare time when he retired. He returned to the favorite pastime of his youth—which he almost took up as a career—wood carving and oil painting.

Mr. Wilms was born in Germany, and attended college there. He studied engineering at college in Pymont, Germany. He had been doing oil painting since he was eight years old. While considering making art his life work, he was dissuaded by a German artist, Holthaus, who told him that artists might be lucky and make money, but were more likely to starve.

Deciding against art as a career, he came to the United States when he was 21 years old. For forty years he worked as a foundry foreman at the W. D. Allen Co. in Chicago.

He married, and for many years, busy at work and raising a family, he completely abandoned his interest in art. However, even during these years, his love of producing things of beauty with his hands came out in the stone home he built at Channel Lake.

The Wilms family was among the first to build a summer home in this area. Mr. Wilms gathered and transported all the stones in the house from the Wolf farm. He says they cost him "two pounds of tobacco and a couple of boxes of cigars."

When the busiest years passed, Karl Wilms returned to his art works. He says, "When I see a good piece of wood I've got to carve it." Most of his figurines are of mahogany. One, a neighbor's dog, was an excellent likeness, stained the color of Sam, the model. He had a hand-carved box, of intricately carved mahogany, and a bear, but most of his work is at his Chicago home. Friends pick up good pieces of wood for him in their travels. He had none of his paintings at his Shannel Lake home.

Retired now, Mr. Wilms and his wife plan to move to California soon and join their son.

By Mrs. Grace Miller

Everyone was busy attending or taking some part in the Wilmsot Fair this week.

The Willing Workers met with Mrs. Jennie Neveler on Tuesday.

Mr. and Mrs. Bernard Staudinger and the Kenneth Schemenhauer family of Kenosha spent Tuesday evening with the Howard Schultz family.

Mrs. Joan Fernandez entertained on Thursday in honor of her son's third birthday. Mr. Jim Wilen, St. Paul, Minn., called at the George Wilen home on Saturday.

Mrs. Grace Measures, returned on Wednesday to her home in London, England, after spending the past few weeks with her sister, Mrs. Nel Runyard.

Mrs. Andrew Tuft and son, Edward, visited at the Willis Sheen home on Monday.

Mrs. Bertha Oetting has gone to Watertown, S. D., to spend a while with her daughter, Mrs. Adeline Stockton.

(written for August 9)
Several from here attend-

ed the Racine County Fair at Union Grove the past week. Frank Mattis received an award from the Post Office Safety Commission on Saturday for 10 years of safe driving.

Mrs. Bertha Oetting has recovered enough to leave the Camp Lake Nursing Home and is staying with her son, Louis and family, at Lake Villa.

Mrs. Nel Runyard and Wilson, Mrs. Grace Measures, and Mrs. Cicely Todd spent the weekend in Chicago.

Mrs. Andrew Tift and son, Edward, spent Tuesday at the Willis Sheen home.

Fall Fine Arts Festival Features Three One Acts

The Palette, Masque and Lyre, local theatre group, will offer something to Antioch area residents September 1, when they present their first "Antioch Fall Fine Arts Festival" at the Antioch High School.

Starting at 8:15 p.m., the festival will include three one act plays by the Palette, Masque and Lyre, a band concert by the Antioch High School band and an art exhibit by local artists.

The three one acts, "Sorry, Wrong Number," "The Happy Journey to Camden and Trenton" and "A Tale of Cheim" will feature local talent. Music by the high school band will provide the entertainment between the three presentations.

Presented for one evening only, Saturday, Sept. 1, the first play will be the suspenseful "Sorry, Wrong Number" directed by Larry Welch.

"The Happy Journey to Camden and Trenton," second on the program, depicts a family exercising its in-

alienable right in pursuing the pursuit of happiness. Joe Hunley will direct.

"A Tale of Cheim" is a delightful comedy that will complete the program, and will be directed by Ken Smouse. The festival is the first activity by the group since their presentation of "Tea House of the August Moon" in June.

The art exhibit, held during the festival will include the best works of local artists in water colors, pastels, and oils. The paintings will be on display in the high school corridors before and after the plays. Many of the works on display may be purchased by the visiting patrons.

Something you should think about if you're about to buy a truck:

If all trucks were built the same way, cost the same to keep up, were worth the same at trade-in... then probably the price tag would be your only concern. It can't be, of course, because some trucks have more quality than others. And marks of quality are the real keys to low cost.

Chevrolet trucks, for example, have double-wall construction, which gives bodies and cabs more strength. Cabs are insulated against heat, cold and noise. A big part of road shock, which shortens truck life, is damped out by Chevrolet's suspension system; it also makes riding in the truck a pleasure. Pickup bodies and cabs are separated to eliminate stress between them.

Value such as this has induced more people to invest in Chevrolet trucks every year since 1937.

This can be a good time to buy a modern new Chevrolet truck

Late summer traditionally is the season for all-around savings on a new Chevrolet truck... selection is still good... deliveries are prompt... and Chevrolet dealers are doubly anxious to put you into a new vehicle in order to make way for next year's models. Coupled with the efficient performance a new Chevrolet truck will give you, it seems evident that you couldn't buy at a better time. Come in and take full advantage of it!

Little League Mothers Add New Twist To Nat'l Sport

Little League Fun Day Termed Huge Success

There may be a few bruises and aching muscles this week as a result of the annual Antioch Little League Fun Day, but the affair was reported to be a grand success.

The celebration began early Sunday afternoon with a baseball game (7) between Little League Mothers, continued with a game between the Fathers and ended with a genuine game by the little leaguers themselves.

Capping of the day's activities was the presentation of the trophies to the winning teams for the 1961 and the 1962 seasons.

The Mothers added a new twist to the game by running the bases backwards in alternate inning. It was hard to determine who got confused the most, the mothers or the spectators.

The exhibition by the fathers had a little bit of everything, including a casualty. League treasurer Lyle Wilson, suffered an injured knee and had to be taken to the hospital. The "Rockets" finally won out over the "Satellites" by a 7 to 6 margin.

At this point the little leaguers took over and played the final game of the day. Mayor Cunningham threw out the first ball and the Yankees took the field against the Tigers.

The Yankees took the victory in a hard fought contest 12 to 11. The game was followed by the presentation of trophies to the first place teams for the 1961 season and the 1962 season.

Individual trophies were received by members of the "Giants, 1962 Little League champions: including T. Tossey, G. Drie, D. Peterson, S. Grumbeck, R. Miller, J. Grumbeck, B. Muir, D. Camp, W. Simon, C. Jenkins, A. Elliot and J. Cernak. The Giants are sponsored by the Antioch Lumber & Coal Co.

Each member of the Sox team received official baseballs for their effort in capturing second place this season. The Sox are sponsored by Gibbs & Jenson Sporting Goods.

Because of the lack of funds at the end of the 1961 season, no awards were given out last year. The situation has improved this year, however, and trophies to last year's first place Cubs were also given out during the ceremony.

Members of the Cubs receiving their trophies were: F. Wittleder, M. Sterbenz, D. Strang, M. Polley, H. Holbek, R. Molini, J. Nauseda, J. Carlson, D. White, B. Ipsen, R. Nelson, D. Zeman, F. Zeman, S. Horton and P. Delaney.

Official baseballs were also handed out to the 1961 second place Tigers.

The Fun Day began a play-off round of the six little league teams. The rest of the schedule includes a game Tuesday, Aug. 14, with the Cubs meeting the Dodgers, at 6 p.m., followed by the Yankee vs. Giants on Wednesday, Aug. 15 at 6 p.m. The Championship game will be played Sunday, Aug. 19, at 2 p.m. All games will be played at the Little League park.

Sunday, Aug. 26, has been set as the date for the All-Star game. The game will start at 2 p.m. at the league's park.

Directors of the Little League program expressed their thanks to the parents, and all who assisted and participated this past season.

New contributors to the program were Dr. Tossey, Jewel Tea Co., Elmer Hunter, Dupre Motel, Klass Men's Wear, Beauti-Vue Products, Ruby Schumacher, Pedersen Bros. Implement, Dr. E. Abderholden and Mary's Restaurant.

Pinspotters Need Women Bowlers

The Women's Pinspotters' League, which bowls at 6:45 on Friday nights held their meeting at the Antioch Bowl last Thursday night.

Essentially the same by-laws were adopted as were used last year, with the exception of the "blind score" used by new bowlers before establishing an average. This was raised to 135, which was considered closer to the overall average of the League.

The Pinspotters' League needs several bowlers to fill open spots on several teams. There are openings for bowlers of every average, or for beginning bowlers. If you're interested, call Mrs. William Keulman of Antioch, League secretary, or the Antioch Bowl.

Spring Grove Beaten by Tigers

The Antioch Little League Tigers came through in fine fashion, beating the White Sox of Spring Grove by a score of 18-9.

Manager Gordon Voling, always looking to the future, started Dennis McCarthy in his first assignment on the mound. Dennis performed very well and went all the way to register his first win. Manager Voling pointed out that the whole team did a superb job. The Tigers had a real slugging fest and collected a total of 27 hits.

Steve Schultz started for the Spring Grove White Sox and was credited with the loss.

Nearly 33½ million persons have been affiliated with the Boy Scouts of America since 1910.

Lake Villa Little League To Chicago

By Mrs. Bernice Bernau

Saturday, August 4, the Lake Villa Little Leaguers participated in Thillen's State Tournament, at Thillen's Little League Stadium on Devon and Kedzie in Chicago. The boys did themselves proud, even though they lost a real thriller. They jumped off to a 2 to 0 lead and held it to the last inning, when they were nosed out 3 to 2. Morton Grove, the opposing team, really had to go all out to win.

Jim Sweeney, pitcher, was superb on the mound. Richard Vitek, third baseman, drove in two runs with a base hit to center field. Stove Schmeisser gave everyone a thrill on the line drive catch he made in left field. Tim Dobsalaf was called to relieve Jim Sweeney in the fifth inning, but he pulled a muscle in his arm while warming up and Jim had to finish the inning. (Only five innings are played in a tournament.) Every boy in the game did his share, and the managers, coaches, parents and townspeople are proud of them.

The boys who played were Richard Vitek, 3b; Harry Feldman, rf; Terry Nickerson, cf; Jim Sweeney, p; Pete Schmeisser, catcher; Steve Schmeisser left field; Steve Miklautsch, 1b; Denny Peterson, 1b; Ralph Zanc,

Football Practice Will Start Soon

Antioch High football coaches last week extended an invitation to all interested students to take part in the 1962 football season.

Members of the Varsity and Sophomore squads will receive their football equipment on Tuesday, August 21, from 9 a.m. to 12 noon, from 1:30 to 4 p.m. and from 7 to 8 p.m.

Freshmen may pick up their equipment on Monday, August 27, from 9 a.m.-12 noon, and 1:30 to 4 p.m.

Sophomore and Varsity practice will be from 8-10 a.m. and from 4-6 p.m. If the weather becomes too hot, practice will be held at night rather than in the afternoon.

Students who wish to play football must have a physical examination and return the card when they receive their equipment.

Practice uniform for the 22nd, 23rd and 24th will be T-shirt, shorts and football shoes.

Coaches for the Freshman squad are Charles Stockhecke and Gary Allen. Coach for the Sophomore squad is Douglas Risberg. Roy Nelson will coach the Varsity team, with James Erdmann as assistant coach.

Lettermen who will be returning this year are Dione Rathbun, Tom Furlan, Dean Horton, Rich Fitch, Cliff White, Les Geist, Ron Van Rooyen, Rich Fowles, Doug Lang, Ken Shevan, Paul Ilamau, Rich Prossie and Dan Hendrickson.

Varsity players on last year's squad who will not be returning are Bob Barnstable, Ray Partipilo, Denny Pogose, Mike Horn, Denny Gable, Bill Slater, Joe Gates, Henry Toby, Frank Nauseda, Joe Pleviak, Bob Krieger, Bruce Wollpert, Don Verkest and Dave Bonner.

Coach Roy Nelson says he has much excellent material and prospects are bright for a good team.

Top Wrestling Show Carded at Twin Lakes

The match between "Kill-or" Kowalski and Angelo Poffo will be the featured event on the all star card Thursday, Aug. 16, in the Wonder Bar Ballroom, Twin Lakes but the tag match is creating wide interest also.

In the tag match, the famous Kangaroos of Australia will clash with Johnny Gilbert and Billy Goetz, two of the nation's leading stars from the midwest.

The Fabulous Kangaroos lend an international flavor to the show. Foreign wrestlers have always been great drawing cards ever since George Hackenschmidt, of Russia wrestled Frank Gotch back in 1905.

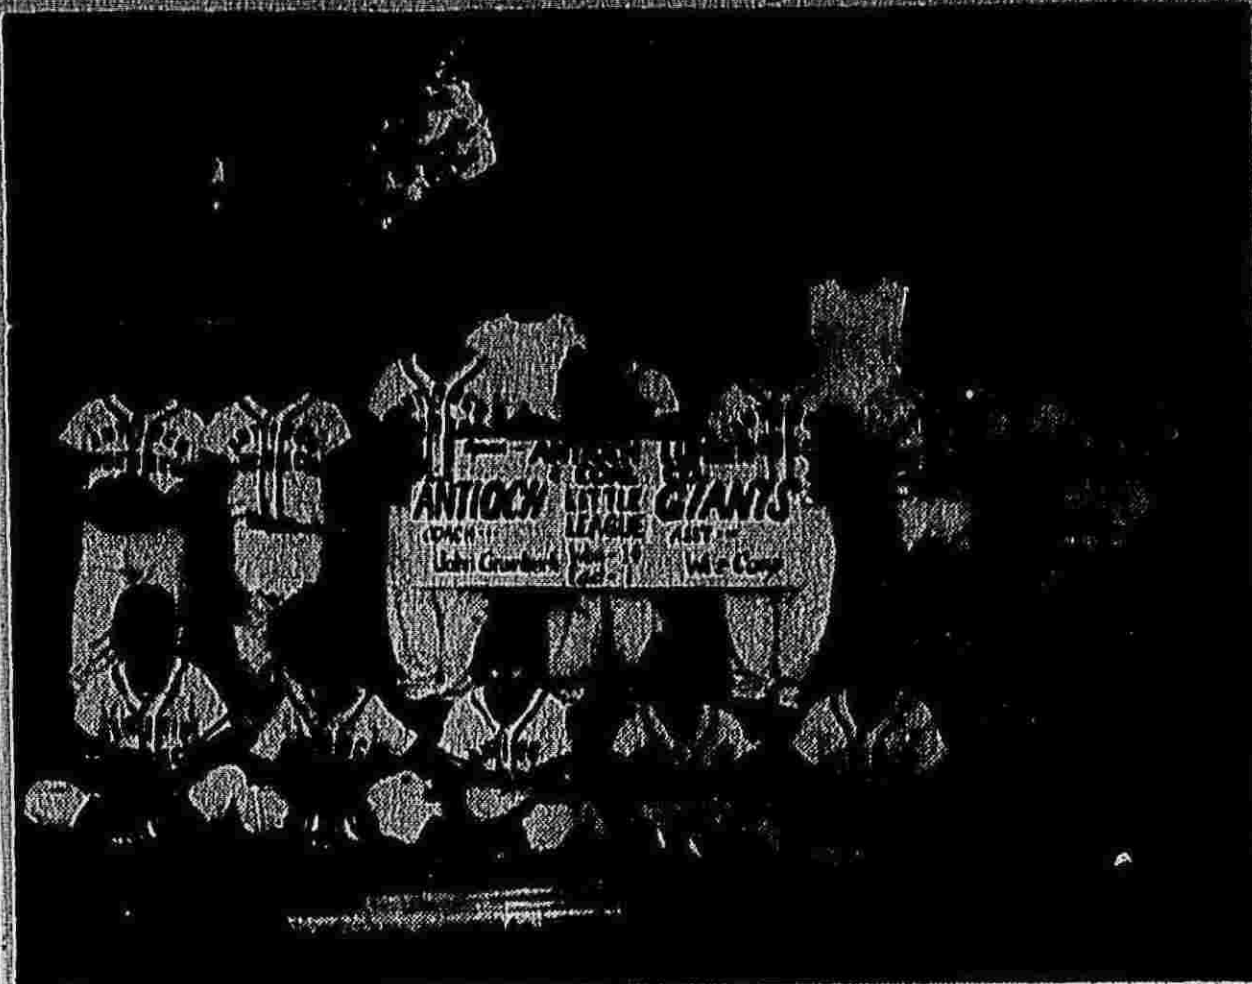

The Kangaroos will enter the ring attired in their customary Australian robes and wearing Bushmen hats. They toss toy boomerangs to the ladies and are always accompanied by Red Barry, veteran Kansas wrestler who carries the Australian flag and advises the team during the match.

Gilbert and Goetz are known for their clever actions and Goetz is one of the most versatile of all wrestlers.

In another top match, Jack Allen of Chicago will meet Gypsy Joe the Globetrotter. Allen is one of the younger group of wrestlers in the mid-west who is gaining favor with the fans.

"GRUNT AND GROAN" artists Billy Goetz and Jack Allen will be featured on the All-Star card on August 16 at the Wonder Lake Ballroom.

LITTLE LEAGUE Champs... 1962... The Giants, sponsored by the Antioch Lumber and Coal Co. proudly exhibit their season's record of 14 wins and one loss. L to R, seated: Rodney Miller, Doug Camp, Wayne Simon, Tommy Tossi, Chucky Jenkins and Jimmy Grumbeck. L to R, standing: Allan Elliot, Gregg Drie, Stormy Grumbeck, Dave Camp, Dicky Peterson, Bruce Muir, Jim Cernak, Coach John Grumbeck and Assistant Coach Wes Camp.

Strom Wins Again At Waukegan Speedway

WAUKEGAN, Aug. 12—

Defending champion Bill Strom of West Allis won his third feature race of the season in an action packed show which produced four rollover accidents plus an untold number of spins and collisions.

Light sprinkles kept the attendance down to 1,850 persons.

Strom, who started third row inside in the eighteen car field, lost little time in picking off early leader, Russ Reynolds of Racine, who had started on the pole and led for the first two laps. Strom took over on that point and was never again headed as he went on to average 49.15 mph.

Ron Larson, Racine, took second while Reynolds fell back to finish sixth, behind Paul Feldner, Colgate, (third) Ed Stillman, Milwaukee, (fourth) and Roger Otto, Elkhorn (fifth).

The four drivers who took tumbles included Tom Ketchum, Crystal Lake, in the sportsmen heat, Paul Howard, North Chicago, in the sportsmen feature, Terry Vaughn, Milwaukee, in the modified semi-feature, and lady driver Virginia Grau of Wildwood.

Vaughn's flip was the most spectacular and the most damaging. He flipped end over end and landed halfway into the infield, when he ran over the wheels of Claude Potter's No. A-28 as Potter drove down in on him, while trying to avoid a collision with two stalled cars.

Vaughn's car was nearly demolished but he walked away unscathed, due to the sturdy construction of the roll over bars. Action was also stepped in the Powder Puff derby when Miss Grau flipped on the second lap of the race. A possible sprained wrist was the result.

Howard's flip started in the infield when he was pushed off the track by other traffic and hit a rat, rolling one and three-quarter times. Ketchum also rolled just off the track on the main straight. Neither Ketchum nor Howard was injured.

Arlene Johnson, Wauke-

gan, repeated a victory of a victory of a year ago in win-year ago in winning the Ladies' event at an average speed of 43.06 mph. Bea Reynolds, Racine, finished second, in a close race which saw both leading at times.

Tom Dill, driving the same car that Mrs. Reynolds drove in the Ladies' event, walked off with top honors in the 12 lap sportsmen feature event when he beat out Libertyville's Jim Newland by a matter of inches at the light. The feature event was a rough and tumble battle for the entire distance, with only half of the 20 car starting field being able to finish.

Jim Sullivan, Kenosha, won top honors in the modified semi-feature race contested at 15 laps. He also won the first heat race of the night.

Ed Stillman of Milwaukee won another feature race at the Kenosha County Speedway Saturday night and took another step toward the season championship as he nosed out Freddie Reynolds of West Allis to win the 25 lap run.

Third was Jr. Dodd of Waukegan, followed by Bob Karry of Waukegan and Jim Sullivan of Grayslake. Stillman also added to his credit the win in the fourth heat race. Karry was second here.

Rod Fuller of Racine was also a double winner before the excited racing fans as he took the checker in the Semi-Feature and 2nd heat race.

In the second heat he took the lead from Steve Stevens of Druce Lake just as they crossed the finish line, but made a cleaner win of it in the semi as he passed Greg Unick on the 12th lap of the 15 lap race to take the win several car lengths ahead at the checkered flag.

Both he and Stillman received clock trophies for their wins. The trophies were presented by Carolyn Reeder of Racine, Queen of the 1962 Kenosha County Fair.

Jim Olett of Hales Corners and Greg Unick were the other heat race winners in

Salem Grid Hopefuls To Open Practice August 20

While most of us are still engaged in summer activities, swimming, golfing, mowing that lawn, etc., 55 football hopefuls from Salem High School will be reporting for their first practice session Monday, August 20.

In looking toward the 1962 season, head coach, Roger Terry said that, "lack of a goodly number of Seniors to shoulder the responsibility needed for a winning season will be our main worry."

"Many of our underclassmen will have to prove themselves and gain confidence if we expect to give a good account of ourselves. This will be one of those years that anything can happen."

In commenting on the Southeastern Conference outlook, coach Terry said, "It's Waterford all the way. The rest of the conference will battle it out for the other berth."

Terry will be depending greatly on the eight returning lettermen when he starts his rebuilding job the 20th. Returning from last year's squad will be three backs, Fred Keppler, Ken Halbach and Mike Bloss.

Linenen John Bloss, Frank Kompf, Dennis Poist, Jim Anderson and Don Milner will round out the nucleus for this year's team.

Terry says he doesn't expect to enter into full scrimmage sessions until at least a week after practice opens. The boys will work on fundamentals and conditioning for the first week," he said.

The first game is scheduled for Friday, Sept. 7th at 3:30. The Falcons will be facing Whitnall at Whitnall and will start the season's campaign with hopes of improving on last year's 5 wins and 3 losses record.

News of Lakesports

the modified stock cars. Mike Wolff of Lake Villa and Bob Anginger of Antioch were the spectator car heat winners and Dennis Burgen of Lake Villa was the feature race winner.

Following Stillman and Karry in point standings are Ted Schuster, Tom Ashenbrenner and Fred Reynolds. The first five in the spectator cars are Dennis Burgen, Mike Smith, Mike Wolff, Roger Hagl and John Anderlee.

A crowd of 3195 were in attendance to contribute to the \$1000 purse paid to the

drivers. Wednesday night Aug. 22, was announced as the next date for the spectators' cars and midjet racing cars. The regular Saturday night program will be held again Aug. 17, with time trials at 7:15 and the first race at 8:30.

Double Race Program

For the first time in speedway history, track manager Mike Kaishian has planned a late model stock car race (1957 to 1962 models) for Saturday night, Aug. 18, in a combined program with the sportsmen stock cars.
